The founder Michael Eberhardt will continue to be involved in the company completing work-in-process jobs and future customer experiences.

Michael's primary focus will be building out his growing Vintage Racing Company which prepares and runs many Porsche vintage race cars and restoration projects. As you know Michael is a true enthusiast and fellow S Registry, RGruppe, 356 Registry and PCA member.

Vintage Seats, LLC offers the most period correct seats for your Porsche 911, 356 and 914 cars.

Models include the RSR, RS (Lightweight and Touring), ST, R (including R2) and GT seats for your 356 and 914-6 car.

With a commitment to quality and correctness using the finest materials available, all work is handled by Master Upholsterers who build them right here in the USA.

Vintage Seats, LLC is known as "best in the industry" for providing superior strength over the originals without interfering with the originality of the look of the seat. With superior weight savings yet maintaining great comfort and with several finishes to choose from, makes sure you get that perfect look for your classic Porsche.
